SUPER GEEK PARTY
AT THE GEEK ACADEMY

At the Geek Academy, birthdays are epic adventures in brick-building brilliance!

Picture this: amidst a galaxy of colourful LEGO bricks, young Geek apprentices gather under the wise guidance of Master Builders. The birthday kid, crowned as the day's LEGO Lord, and their Geek Squad embark on a quest to create the ultimate LEGO scene, from towering castles to intergalactic spaceships. But wait, there's more!

Every young geek-in-training undertakes a daring Code Breaker challenge, deciphering cryptic clues to unlock a hidden geeky delight.

It's a celebration where creativity meets code-cracking fun, turning every birthday bash into an unforgettable journey through the realms of imagination!
